Big Time Promised at Lions' Jamboree Wed., August 9

The date of the Didsbury Lions Club Jamboree has been set for Wednesday, August 9, and the big day of entertainment starts with the monster parade which lines up at the Rosebud Garage at 10:30 a.m. and starts on the parade route at 11 a.m. Parade prizes will be awarded for the best decorated floats, decorated bicycles, kids and their dogs, best rider and mount in any type dress, best rider and mount in shirtland class, best old time outfit, and best clown. Advertising displays of farm equipment are expected to be numerous again this year and the local detachment of the Calgary Tank Regiment is planning a special display of army vehicles.

In connection with the parade, all entries must be made to H. E. Klink by Monday, August 7, if it is possible. Local officers of the district are invited to report at the head of the parade at 11 a.m. and cars will be provided for them.

Following the parade the crowd will gather at the Didsbury exhibition grounds where a full afternoon of entertainment will be provided. There will be midway attractions, children's races in all classes, etc.

The four team baseball tournament will be played between Belcher, Bonadio, Melvin and Trochu, and while the teams have not been announced, there will also be a girls' softball tournament.

This year the Lions Club has arranged for an excellent program in the Didsbury arena commencing at 8:30 p.m. There will be a one-act play, "The Little Rascals," Square Dance Jubilee, followed by an old time dance starting at 10 p.m. The Bow River Ramblers, featuring Mike Hossey, the King of the Callers, will provide the dance music.

The day's proceeds will be given to the Didsbury Memorial Community Centre Fund.

For a day of entertainment and enjoyment plan now to attend the Lions Club Jamboree in Didsbury on Wednesday, August 9.

MANY QUILTS FOR VICTIMS OF MANITOBA FLOOD RELIEF

The response to the appeal for quilts for the victims of the Manitoba Floods has been excellent. The Red Cross Society has received quilts from the following: Red Cross Group at Elkton, Rugby Women's Institute, Elkton Willing Workers, The Altar Society of St. Anthony's Church, Mountain View Women's Institute, and Mrs. Minnie Krueger.

The Red Cross Society, on behalf of the flood victims, expresses gratitude for such a splendid contribution.

Mountain View W. I. Donates Two Quilts

The July meeting of the Mountain View W. I. was held at the home of Mrs. Annie Booker and was attended by seven members and seven visitors. Mrs. Walter Pratt joined the Institute, on behalf of the flood victims, expresses gratitude for such a splendid contribution.

Mrs. Arthur Gobers was elected as delegate to the constituency convention on August 3. Roll call was "Did you know that—?" (on Canada), and then Mrs. A. Booker gave a splendid paper on Canadian Industries.

Mrs. W. E. Stiles reported on Farm Women's Week, as the Mountain View delegate was unable to attend.

Two quilts were prepared for the Red Cross this past month, and the members are piecing another top and making pyjamas and baby blankets this coming month.

Mrs. James Carroll won the ten-cent draw, and also the "bit of fun" prepared by Mrs. Booker on "children's" and "bits of literature."

After God Save the King, Mrs. Booker served a delicious lunch and all wished her a pleasant holiday in the U.S.A.

Lutheran Mission Festival Concluded

The Rev. T. Folkmann, Pastor of St. John's Lutheran Church, Trochu, served as guest speaker at the Mission Festival of Redeemer Lutheran Church on Sunday, July 30.

In the morning service he encouraged the members to greater missionary work. He indicated that the Lord has given us the Word which we are to use as seed and which we sow into the hearts of men, leaving the ultimate blessing thereof in the hands of the Lord.

The morning service was attended by 234 people and the collection for World Wide Missions amounted to \$274.30. The Sunday School collection for missions amounted to \$22.75. Over the noon period a joint dinner was served in the basement of the church. During the afternoon service Rev. Folkmann encouraged the members in personal mission work at home and abroad. Following the service, Mr. H.W. Folkmann gave a report on the Missouri Synod convention.

Funeral Services For Arthur C. Wahl Today

Residents of town and district were grieved to learn of the death of Mr. Arthur Charles Wahl, who passed away at his home west of Didsbury on Saturday, July 29th, at the age of 46 years.

Mr. Wahl, who was born in Elgin, Illinois, came to the district 13 years ago.

Besides his wife, he is survived by a daughter, Mrs. Alex Shannan of Didsbury.

Funeral services will be conducted by Rev. C. C. Armstrong from Knox United Church, Didsbury, at 1 p.m. on Wednesday, August 2. Interment will follow in the Didsbury cemetery with Didsbury Funeral Home in charge of arrangements.

U.N. Flag for Unified Headquarters

A United Nations flag, already a veteran of U.N. field missions, is given to Ambassador Warren Austin of the USA (left) by U.N. Secretary-General Trygve Lie (center) for use over the headquarters of the USA's General of the Army Douglas MacArthur, commander-in-Chief of the unified forces acting in behalf of U.N. in Korea. Looking on is Ambassador Arne Sundt of Norway, Security Council President for July. The blue-and-white flag was formerly used by U.N. military advisers and the U.N. Mediator in Palestine.

Good Crowd Enjoys Tennis Club Dance

A highly successful dance was held in the Arena on the evening of Friday, July 28, under the auspices of the Didsbury Tennis Club.

The ladies of the Club decorated the hall with flowers and coffee and made of our rather unspiced substitute for a community hall a gay setting for a pleasant social function.

Mrs. J. Cathness, who has "never been lucky before" now has one corner of her home lit by the lovely table lamp she won in the draw.

Thanks to all the folks who made a success of the Tennis Club's first venture.

Norman B. Snyder Passes on July 30

Norman B. Snyder, one of the old timers of the Didsbury district, passed away after a brief illness in the Didsbury hospital on Sunday afternoon, July 30, at the age of 79 years.

Mr. Snyder was born near Breslau, Ontario, on December 23, 1870. On December 23, 1885 he was married to Clara Kinzie of Roseville, Ontario. In 1899 he came west and took up a homestead south of Didsbury, and in 1900 he brought his family out. He was actively engaged in farming until 1930, when he retired on the farm.

He was predeceased by his wife on October 5, 1947.

Surviving are two daughters, Olive Pearl (Mrs. Noah Swalm), and Verdiella (Mrs. Verdo Sherrick); three sons, Maynard, Virgil and S. Walter, seventeen grandchildren, and one brother.

Funeral services will be held on Wednesday, August 2, at 2 p.m. from the United Missionary church with Rev. E. G. Archer officiating. Interment will follow in the West Zion cemetery with Didsbury Funeral Home in charge of arrangements.

South West Didsbury

Mr. and Mrs. Lester Miller were visiting in Calgary for several days last week.

Mr. and Mrs. E. Hunsperger and children of Preston, Ont., were visiting last week with Mr. and Mrs. Lynn Hunsperger and family and Miss Grace Hunsperger.

Mr. and Mrs. Norman Weber were Friday evening visitors at the M. Dippel home. They moved into their new house last week.

Mr. and Mrs. Ezra Dippel and children, and Mr. and Mrs. Geo. Dippel, motored to Calgary Monday when George Dippel remained for an operation which he will undergo in the Holy Cross hospital. Congratulations to Mr. and Mrs. Lynn Hunsperger on the birth of a son on July 31.

Mr. and Mrs. Vern Shantz of High River are spending a few days with Mr. and Mrs. R. L. Shantz and with Mr. Shantz's sister, Mrs. Ed Weber.

Mr. and Mrs. Snyder called at the M. Dippel home Saturday afternoon to see how the house was progressing.

Mr. and Mrs. C. E. Stroud, Mr. and Mrs. Bill Broadhurst and Mr. and Mrs. M. Dippel and Carole motored to High River Sunday to visit with Mr. and Mrs. George Laycraft, and they called on Mr. Cogswell who is a patient in the Col. Becher hospital.

Mr. and Mrs. Jack Edwards accompanied by Mr. and Mrs. Art Edwards and family of Calgary, returned to Calgary Thursday after spending a two weeks' holiday in the district with relatives.

Sandra Wood Tops Predator Campaign

The Crow and Magpie campaign of the Didsbury Fish and Game Association has been the most successful in the history of the organization, and according to final figures tabulated by E.B. Grange, chairman of the campaign, a total of 7,107 pairs of crows and magpie feet were turned in during the months of May and June and the first two weeks of July.

The 1950 campaign topped last year's record by almost 2,000 pair of feet and the local boys and girls worried hard this year to accomplish the remarkable showing.

Final figures released by Mr. Grange last week end placed Sandra Wood at the head of the list with 2,101 pairs of crows and magpie feet; Leslie Goergen was second with 1,496 pair, and Donnie Krebs was third with 1,336 pairs.

The above figures are final and will be used in awarding the prizes to be presented at the Association banquet.

Local Dairy Calf Club Achievement Day

The annual Achievement Day of the Didsbury Dairy Calf Club was held in the Memorial Arena on Saturday, July 29. Mr. Rorkland, president of the club, presided.

The show began with the judging of the Junior and Senior calves and results were as follows:

Senior Calves: 1 Bob Clark; 2 Gwen Clarke; 3 Jim Clark; 4 Deanna Munroe; 5 Ken Morris; 6 Don Morris; 7 Adrienne Scheidt.

Junior Calves: 1 Don Irwin; 2 Evelyn Wilkins; 3 Marlene Bowden; 4 Carl Morris; 5 Gloria Balderson; 6 Walter Scheidt.

Yearlings: 1 Gwen Clarke; 2 Deanna Munroe; 3 Bob Clark; 4 Don Morris; 5 Carl Morris; 6 Jim Clark; 7 Ken Morris; 8 Don Irwin; 9 Walter Scheidt; 10 Adrienne Scheidt.

Two-Year-Olds: 1 Bob Clark; 2 Ken Morris; 3 Don Morris; 4 Walter Scheidt; 5 Carl Morris; 6 Gwen Clarke.

Groups: 1 Bob Clark; 2 Gwen Clarke; 3 Carl Morris; 4 Walter Scheidt; 5 Ken Morris.

Showmanship: 1 Bob Clark; 2 Gwen Clarke; 3 Don Irwin; 4 Evelyn Wilkins.

Best Groomed: Jim Clark.

In all 29 animals were shown at the show.

Members with the first calf and first yearling of the show were awarded free trips to the Red Deer Fair, sponsored by the Alberta Dairyman's Association.

The following donations to the Achievement Day are acknowledged: by the Didsbury Dairy Calf Club; Harold Ole \$5; Ken Waugh \$5; Lorne Clayton \$2; Geo. Law \$5; Clarence's Shoe Shop \$2; Bert Provest \$5; Sid Fox \$1; Harvey Burgess \$1; Jim Cathness \$1; Ed Ford \$10; Sam Krueger \$10; Joe Soley \$5; Joe Dick \$2; Leo Nichols \$2; Howard Hultberg \$5; W. Melvin and Carstairs In League Ball Finals

Playing first class baseball at the local diamond on Thursday night last the Melvin team defeated Infaulst in the third and deciding game in the semi-finals of the Rosebud Baseball League.

Previously these two evenly matched teams won a game each in the semi-finals, and Thursday night's game gave the Melvin team the honor to meet Carstairs in the finals when they won 6-4 in a close encounter.

Melvin line-up—Allen Krebs, pitcher; Arthur George Wilkins, Bill Weidner, Howard Krebs, Fred Badway, Lawrence Krebs, Ray Shantz, Bob Youngs, Trev Morgan.

Another Large Crowd Attends Raven Picnic

The Central Alberta Fish and Game Picnic Association, comprising the Associations of Innisfail, Oids, and Didsbury, concluded another successful picnic at the Raven Hatchery on July 30, when an estimated crowd of between four and five thousand people turned out for the annual event. This crowd was not quite as large as last year, due no doubt to the weather, but the picnic was a success, and while not a money-making undertaking, receipts from the refreshment booths and barbecue stand have been sufficient to cover the day's expenses. The Didsbury Association had charge of the refreshment booth and profits for the day amounted to over \$100, which was only about a third of the record set last year.

Results of the fly and ball casting competitions, rifle competition, are not available at press time, but an endeavor will be made to publish these in our next issue.

RUGBY BLUEBELLS MEETING

The last meeting of the Rugby Bluebells was held at the home of Ken Krebs with eight members present. Vera Befus and Viola McNaughten were chosen to attend the Alberta Women's Institute Girls' Club Convention at Oids.

It was decided to hold the next meeting at the Little Red Deer River on August 5th, and at this meeting the two girls who went to Oids will give their reports.

After the meeting material was cut for the "beanies". Then a delicious lunch was served by the hostess.

Mrs. Eldon Smith of Stauffville, Ontario, who has been visiting at the E. Sherrick home, returned home by way of Ohio with Mr. and Mrs. Arnold Sherrick and family.

Enjoyable Field Day At C. Sheehan Farm

A grain club field day was held July 28 at the home of Clem Sheehan, north west of Carstairs, and Mr. Hugh McPhail, district agriculturalist was in charge of the program. Members of the Carstairs and Crossfield Thatcher Wheat clubs were present, and the club leader, Ray Wood of Carstairs, and Walter Snyder of the Agricultural Service Board spoke briefly. Mr. Stillings, leader of the Crossfield Club was unable to be present.

Mr. McPhail described his recent trip to Dawson Creek and Peace River.

Mr. McPhail gave the club members and interested spectators an agricultural quiz of 50 questions, and Harold Schielke of Carstairs won the highest score of 82 per cent of the questions correct.

The guests enjoyed a trip around the grounds, which are beautifully laid out with progressive tree plantings of evergreens, and later inspected experimental plots of different varieties of wheat, oats, barley, legumes, and field peas which Mr. Sheehan is trying out.

George Braithwaite, fieldman for the Alberta Wheat Pool, and G.A. Wahl, elevator agent at Carstairs, arranged a display of 12 samples of wheat including Garnet, Red Bobs, Thatcher and Alberta Red Winter, which were named, judged and graded by club members. About eighty guests enjoyed a picnic lunch at noon.

In Engineering Post

O. W. Johnson, son of Mr. and Mrs. B. W. Johnson of Didsbury, who has been appointed to a post with the Barber Engineering Company of Edmonton. A naval veteran of the second world war, Mr. Johnson entered the University of British Columbia on his discharge and graduated this year. In 1949 he won a scholarship in engineering at U.B.C.

Regular Meeting of The Bancroft Institute

The July meeting of the Bancroft W.I. was held at the home of Mrs. D. Chappel with eight members and one visitor attending.

The meeting opened with "Lucky Old Sun" and the creed. Roll call was answered by "a way to communicate in the kitchen."

The treasurer's report showed a profit of \$9.14 from the lunch served at the H. Ohlhausen sale.

Final plans were made for the handicraft exhibit, and Mrs. J. Tanton was named as delegate. The constituency objectives were discussed.

Work was started on the quilt to be raffied off at the annual bazaar to be held in October.

The Bancroft Buttepress report was read, and Mrs. Gordon Hoskin read a paper on tree planting in Alberta.

A contest of sewing terms was won by Mrs. R. Good, and the draw was won by Mrs. D. Chappel.

The meeting adjourned to enjoy a delicious lunch.

WORLD'S FIRST GAS-TURBINE CAR DEMONSTRATED

The world's first gas-turbine car whizzed around Silverstone track near Towestown when it was recently demonstrated by the Rover Motor Company of Solihull, Birmingham.

The car has been given its royal automobile certificate, which gives its accelerator time from 0 to 60 m.p.h. in 14 seconds. Its idling speed is 7,000 r.p.m. and at 85 m.p.h. per hour compressor speed is 35,000 r.p.m. The fuel used during the

test run was kerosene, and fuel consumption was very high, but it is hoped that this will be improved by 100 per cent before it goes into production in three or four years time. The car is controlled by two pedals, the accelerator and the brake. Mrs. Katherine Wilks, wife of the managing director of the Rover Company, said that she had driven the car and it was more docile and more easy to go than anything else she had known.

SUPPORT THE JAMBOREE, AUGUST 9

The Didsbury Lions Club Annual Jamboree will be the big sports attraction in Didsbury this year, and the date has been set for Wednesday, August 9, when a complete program of sport will be provided for both young and old.

The big parade will be held in the morning, as usual, along with ball games of all descriptions, and other lecture attractions.

Plan now to attend the Jamboree in Didsbury. The proceeds are for a good cause—to complete payment on the arena debt—and it will be your last opportunity to enjoy a day of sport before the annual harvest rush.

Agricultural SERVICE BOARD NOTES

W.K. Snyder, Field Supervisor

Toad Flax is a weed that is well established on many farms and along roadsides in this Municipality. In most cases these patches are not large, but in several cases, the weed has spread over a 20 to 25 acre area and now presents a real problem. Eradication by means of Sodium Chlorate is costly and has a bad effect on the land leaving it sterile for a time. In cultivated fields, careful, thorough, well timed cultivation is necessary to suppress Toad Flax. Cultivators and red weeders are not recommended on this weed since the roots that are dragged across the field may drop off and start new plants. Deep plowing, followed by a tiller that has sharp blades seems to be the most satisfactory implements to use.

This weed resembles the snapdragon in general appearance but the bright yellow flowers are much smaller. It is a deep rooted, creeping perennial weed, growing in favorable conditions will crowd out crops and even native grass. It has narrow leaves and erect stems and grows from 18 to 24 inches in height. Toad Flax spreads by seed as well as root stocks. The seeds form in pods after the flowers are gone. They are jet black, flat and very light and will travel on the slightest breeze.

Small patches should be treated with a solution of 1 pound of Sodium Chlorate dissolved in 1 gallon of water to an area of 10 feet square. It usually requires at least two or more treatments to completely kill out this persistent

ZELLA NEWS NOTES

HEALTH UNIT REPORTS

(Concluded from last week)

School Health

Road conditions were favourable on the whole and the policy of examining the children in grades 1, 2, 3, 4, 5 and 1X was continued. All the schools south of the Olds-Sundre road and west of the Olds-Crossfield highway which were due for examination have been dealt with, as well as a fair number in other areas. This should make it possible to deal with the remaining schools during the fall weather whilst roads are still satisfactory.

The number of school children examined has been tabulated below:

SUMMARY

Schools visited by doctor	30
Children examined by doctor	231
Schools visited by nurses	237
Children examined by nurses	306
Children without defects	334
Children with defects	68
Total number of defects	265
Children visited at home by nurse	6

Mental Hygiene

In this branch of work we feel we must give credit to nurse Edwards. She has tackled the sometimes very difficult problems with commendable tact and enthusiasm. Dr. Carson and his staff held three clinics and the total number of interviews was sixteen. Two talks seen at the office of the Secretary-Treasurer, Didsbury. Deposit of 5% of bid must accompany tender.

Lowest or any tender not necessarily accepted.

Tuberculosis

A beginning has been made with a monthly clinic to encourage the early diagnosis of tuberculosis. These clinics are being held with the approval of the Central Alberta Sanatorium, and all suspicious cases will be referred there for further investigation.

At the same time at the request of the Central Alberta Sanatorium this Unit has undertaken the following up of cases of tuberculosis of contacts resident within our area, and work in this connection is well under way.

Two clinics so far have been held and a total of twelve patients have been examined. It is anticipated that as this new department gets better known attendance will be larger. Altogether twenty four home visits were made to tuberculosis patients and contacts.

Cancer

At odd times enquiries have been as to the position of this Unit with regard to the investigation of Cancer. The supreme importance of the early diagnosis of this dreadful malady need not be stressed.

The question of our working in close collaboration with the Cancer Clinic at Calgary has been discussed with the latter, and we are grateful to the staff of this Clinic for authority to refer to any patients who in our opinion require investigation.

New Born Baby Visits

The visiting of mothers of new born babies has suffered to some extent on account of the heavy school examination program. A total of nineteen mothers were visited and in addition to advice, the home conditions were investigated.

Home Nursing Lectures

Lectures were completed at Crossfield and Carstairs High Schools during this quarter. A new series of lectures was started for the Women's Institute group at Bennett School.

Health Education

This, in the writer's opinion, is probably the one subject in the public health field which is capable of tremendous expansion. The health of the community will maintain an ascending rate only part passu with the community's appreciation of its health. The material provided by both the Federal and Provincial Governments is excellent, and the Unit is provided with a first class movie projector and talkie apparatus. It is only the time that is lacking at the present.

A total of fourteen talks was, however, given, always in association with the showing of one or more films. Film showings numbered thirty-seven.

As part of the program of health education the feature "The Health Unit Reports..." was continued in both the Olds Gazette and the Didsbury Pioneer. We appreciate the co-operation of these two local papers, and take this opportunity of expressing our thanks.

Sanitation

Due to the continued absence of a sanitary inspector the essential aspects of this branch of public health work has had to be done by the medical officer. It has been confined mainly to restaurant inspection and to the investigation of water supplies.

Nineteen restaurant inspections

NOTICE OF TENDER

Tenders will be received up to 12:00 noon August 7, 1950, for the construction of 3 miles of road north of Sections 20, 21, 22, Tp. 28, Rge. 3, West of 5th Meridian. Profile and specifications may be seen at the office of the Secretary-Treasurer, Didsbury. Deposit of 5% of bid must accompany tender.

Lowest or any tender not necessarily accepted.

A. BRUSO, Sec. Treas., M. D. Mountain View No. 49, Didsbury, Alberta

were carried out, and in many cases it was found that the requirements of public health legislation were not being carried out. The endorsement of the application for a license was therefore made conditional on such improvements being effected which it considered necessary to maintain a high standard of restaurant sanitation.

A beginning has been made with the analysis of water and so far this work has been confined to hotels and coffee shops. In other words, to those sources which might give rise to a serious spread of disease. Whilst in many cases the quality of water appears satisfactory, there is a rather disturbing number of cases where the supply shows marked unfavorable bacterial contamination.

This may be an opportunity of expressing our appreciation also of the assistance rendered to the Unit by the Olds Agricultural School, by the United Church at Crossfield, by the Principal of the School at Cremona, by the Women's Institute at Sundre, by the United Church at Carstairs, in providing us with a centre at which our Infant Welfare Clinics are held. We would like to thank them.

THE STORY...
BEHIND THE

"Cover The Earth"
TRADEMARK

The original sketch of the "Cover-The-Earth" trademark was made in 1905 and was in use until 1906 when it was officially registered as The Sherwin-Williams trade mark of quality products.

Today it is recognized as one of twelve best known trademarks in the world.

We are proud of our trademark and value highly the confidence and goodwill of the many thousands of loyal agents and dealers who proudly display it inside and outside their stores. For this reason we maintain laboratories staffed with paint chemists and technicians to control and safeguard the quality of our products so our agents can promote the use of quality paint for beauty and protection.

Ludwig Gross of Calgary, formerly of Mission, B.C., spent the week end in Didsbury with his grandparents, Mr. and Mrs. Geo. Walder, and his aunts and uncles. He is leaving Saturday for his home in Mission, B.C.

Work is progressing on the cement block house, being built just west of the Len Berscht residence by Hans Haener and son Mike of Cremona.

The fire siren sounded Saturday morning about 9:30 o'clock when a smouldering fire broke out in the U.F.A. coal shed next to the Pool elevator. The fire brigade was out within a few minutes of the alarm and the fire was soon extinguished with the aid of water from the tank. Extent of damage has not been estimated.

Dr. E. E. McKenzie will be on vacation from Wednesday, August 2nd, and during his absence Dr. H.H. Holloway of Didsbury will attend his patients.

Work has commenced on the new house for Ed Ford, just west of the old house. John Wright is the contractor.

The seismograph crew has completed operations in this district and has moved to Cochrane area. Mr. and Mrs. H. Birt, who have been residing in the apartment above Kirby's Meat Market are leaving to reside at Cochrane.

Mr. and Mrs. C. Denney of Calgary visited last weekend with the former's sister, Mrs. Eva Blain. Everett Blain returned with them to holiday in Calgary.

Mr. and Mrs. H.W. Gabel, Mr. and Mrs. Walter Irwin, and Mr. and Mrs. Irvin Klein, Eleanor, Violet and Robert Dean attended the funeral of Claud E. Webb on Friday in the Avenue Memorial Hall. Mrs. Claud Webb is a niece of Mr. H.W. Gabel.

Cecil Shields of Hanna spent the weekend visiting in the district with his parents, Mr. and Mrs. C. P. Shields.

The Ladies' Sports Club meeting will be at Franklins. Party night for July and August. Everyone please come.

Miss Laura Edwards, public health nurse at the Rosedale Unit, has accepted a position with the Public Health Department in Calgary and will be leaving at the end of the month. Miss Edwards has been a most community worker and will be missed by her many friends and acquaintances.

Mr. and Mrs. Art Rehner and family returned last weekend from their motor trip to the Pacific coast.

Mr. and Mrs. Norm Mashinter, Larry and Ronald were weekend visitors with Mr. and Mrs. D. Wilson.

Raymond Fulcher returned last week from the hospital where he underwent an operation.

Mr. and Mrs. J. Schermund of Edmonton and Mr. and Mrs. Oliver Schaffer and Graham of Elmira, Ontario, were Sunday visitors at the W.W. Snyder home.

CREW SETS OUT TO WAR ON RATS

A four-man field crew from the Alberta government is out to trap or poison a colony of Norway rats discovered in Alberta near the Saskatchewan border town of Al-sask.

J.H. Brown, provincial entomologist, said last week the field crews have received orders to stay in the area until the rats are destroyed.

The rats are the first discovered in Alberta, and the provincial department of health is trying to stem a possible invasion, he said.

Mr. and Mrs. Sam Schmick were supper guests at the Nuss home on Sunday.

Mr. and Mrs. George Thring and Mr. and Mrs. Len Berscht left Tuesday for a holiday in the U.S.A.

—Don't forget the dance to be held at Carstairs East Community hall on Friday, August 4. Valuable door prizes. Good music.

The editor will be away on holiday for the next couple of weeks and the staff would appreciate it if press correspondents of the various organizations would have all news copy sent in as early as possible.

WESTCOTT NOTES

The community was shocked to hear of the sudden death of Mr. Art Wahl on Saturday, and sympathy is extended to the bereaved in their grief.

Congratulations to Miss Margaret Robertson and Mr. Donald Robertson who received word that they had successfully passed their grade 12 examinations.

Several gentlemen of our district, John and Linden Jacobsen, J. Bonner and Otto Folkman, are employed on the building of the new house on the W. Bohannon farm at Garfield. M. Romy of Elkton and Sundre district has the contract.

Miss Deloye Goetjen of Calgary spent Sunday at home, motoring up with friends.

Mr. and Mrs. H. Levagood returned home Saturday evening last from their holidays.

Mr. and Mrs. Chester T. Bennett of Los Angeles, California, called on the Herbert Goetjen family over the weekend. The Bennetts left California about the middle of March and have been holidaying ever since, gradually coming this way as the weather warmed up and leisurely enjoying all the sights. They expect to spend some time in Alberta before going back home.

Mr. and Mrs. Wm. Bagnall of Box Pound visited with Mr. and Mrs. Herbert Goetjen last Monday afternoon.

Plans are going ahead for the picnic on Wednesday, August 2, which is taking place on the H. Levagood farm on the mile east of the Westcott store. Everybody is welcome.

WESTERDALE NEWS

Bobby Bussard of Didsbury visited at the home of Mr. and Mrs. E. Jackson all last week.

Bill Wigley of Leduc visited over night on Saturday with his grandparents, Mr. and Mrs. L. Jones.

Barbara Jackson, motored to Banff with Mr. and Mrs. D. Herbert and family on Sunday. Mrs. Herbert's mother, Mrs. Dean of Sundre, accompanied them on the trip.

Mr. and Mrs. E. Jackson and Marion motored to Sylvan Lake on Sunday. Accompanying them on the trip were Mr. and Mrs. A. Jackson.

Mr. Stanley Elder left for Jasper last Saturday to again resume his duties at that point.

Lyle Bolton and Leslie Soubauer left last Tuesday to attend a boys' bible camp at Gull Lake.

Mrs. Ben Kershaw returned home last Tuesday after spending three weeks with her mother at Chatham, Ontario.

Westerdale won their last league game last Tuesday evening from Elkton in a five-inning game, called owing to darkness, by a 10-9 score. Having only two wins to their credit during the entire season, they were eliminated from the finals.

DAILY VACATION BIBLE SCHOOL

There will be a Children's Program on Friday, August 4, at 8 p.m. in the United Missionary Church, to mark the conclusion of the Daily Vacation Bible School. Special features will include singing, hand work and memory work.

U.S. STEPS UP CANADIAN BUYING

The original plan of the U.S. to spend \$15 millions to \$25 millions in defense equipment buying in Canada has now been outstripped by events, according to the Financial Post.

Plans are being speeded whereby the United States procurement will place orders in Canada for tens of millions of dollars. One potential order alone may amount to well over \$20 millions.

CHRISTIAN SCIENCE

"Blessed are they which are persecuted for righteousness' sake: for their's is the kingdom of heaven." (Matthew 5: 10). "The very circumstance, which your suffering sense deems wrathful and afflictive, Love can make an angel entertained unwares." (Science and Health with Key to the Scriptures, by Mary Baker Eddy, p. 574). The Lesson-Sermon in Christian Science churches Sunday is on "Love," and is composed of passages like these:

REDEEMER LUTHERAN CHURCH

At the last Voters' Assembly of Redeemer Lutheran Church, the congregation granted Pastor Fox two weeks vacation. Rev. Fox will be leaving on Thursday, August 3 for Edmonton. During his absence there will be no Lutheran services on Sunday, August 6 and Aug. 13. Regular Lutheran services will again be held on Sunday, August 20 at 10:30 a.m.

MELVIN NEWS

The district was saddened by the death on Saturday of an old timer, Art Wahl, and our sympathy is extended to the bereaved ones.

Mr. and Mrs. E. Dupont returned Sunday from their trip to Jasper. They had taken a bus load of Alberta students to a Junior Red Cross High School Leaders' Training Centre at Lake Edith.

Dennis Goddes of Regina visited last week with his cousins, the Dunsmuirs.

After spending over five weeks in the Holy Cross Hospital in Calgary where she underwent a serious operation, Mrs. Geo. Youngs has moved to Didsbury Hospital on Saturday. She is feeling pretty well and is able to be up and around, so we hope to see her at home very soon now.

Clary Youngs spent a week end in the Didsbury Hospital, returning home on Saturday. Clary is now on the Staff of the Department of Research in Saskatoon and was recuperating at his home here after an appendix operation in Saskatoon.

There will be a dance at Melvin on Friday night, August 4, to the strains of Krebs Merry-makers.

The Saskatoon season is in full swing and the berries seem to be large and plentiful everywhere this year. With the price of fruit soaring, busy housewives are taking advantage of it.

Mr. and Mrs. A. Esler accompanied by Mr. and Mrs. Emil Krebs and Mrs. Annie Krebs returned last Sunday from their trip to LaPorte, Indiana, where they visited relatives. Their sister's family owned a television set which they enjoyed very much and while they were there they also attended a baseball game in Chicago.

Congratulations to Mr. and Mrs. J. Verigan on the birth of a son on July 11.

Mrs. Ed Berscht returned Sunday from Calgary where she was taking care of the house for Mrs. Mashinter while she was in hospital following the birth of her baby boy.
